To care for those who once cared for us is one of the highest honors.” – Tia Walker

Our Mission & Values

Our mission is to provide seniors with personalized home care support that promotes independence and fulfilling lives. Our vision is to offer compassionate companionship and home care services to all seniors. We value quality care for quality outcomes; care for caregivers, care for communication and care for safety.

About Us

We are a Boston-based home care agency proudly serving both New Hampshire and Massachusetts, focused on providing comprehensive care to you or your loved ones across all dimensions of health and wellness. This includes intellectual, physical, environmental, occupational, social, emotional, and spiritual well-being.

Our Care Team

We take pride in building a team of professional, caring, & experienced caregivers to assist our clients. Each of our caregivers is trained and properly certified for the jobs they'll be doing.

We're a diverse team of caregivers who help clients all over with their medical and living assistance needs:

- Certified Nurse assistants (CNAs)
- Trained Live-in caregivers with CPR & BLS certificates.
- Hospice caregivers
- Home health aides (HHAs) to help with bathing, restroom visits, &more.
- Coordinators to help match clients with caregivers & send health schedules/plans.

Our caregivers are subject to a criminal background check and are assessed before being able to join our team to ensure safety and reliability.

A variety of options, for a variety of clients...

Live-in Care

24/7 care for families who prefer to have a caregiver always present. Post-hospitalization or rehabilitation care. Meal planning & grocery shopping.

House-keeping

Our caregivers help with household chores and pet care, creating a pleasant living environment. Walks, feeding, & playtime for your pets.

Respite Care

We're here to step in and provide temporary care when you need it. Our respite care services ensure your loved ones are cared for while you rest and recharge.

Hospice Care

During difficult times, our hospice care services provide comfort and support, focusing on quality of life and compassionate care for your loved ones and your family.

Personal care

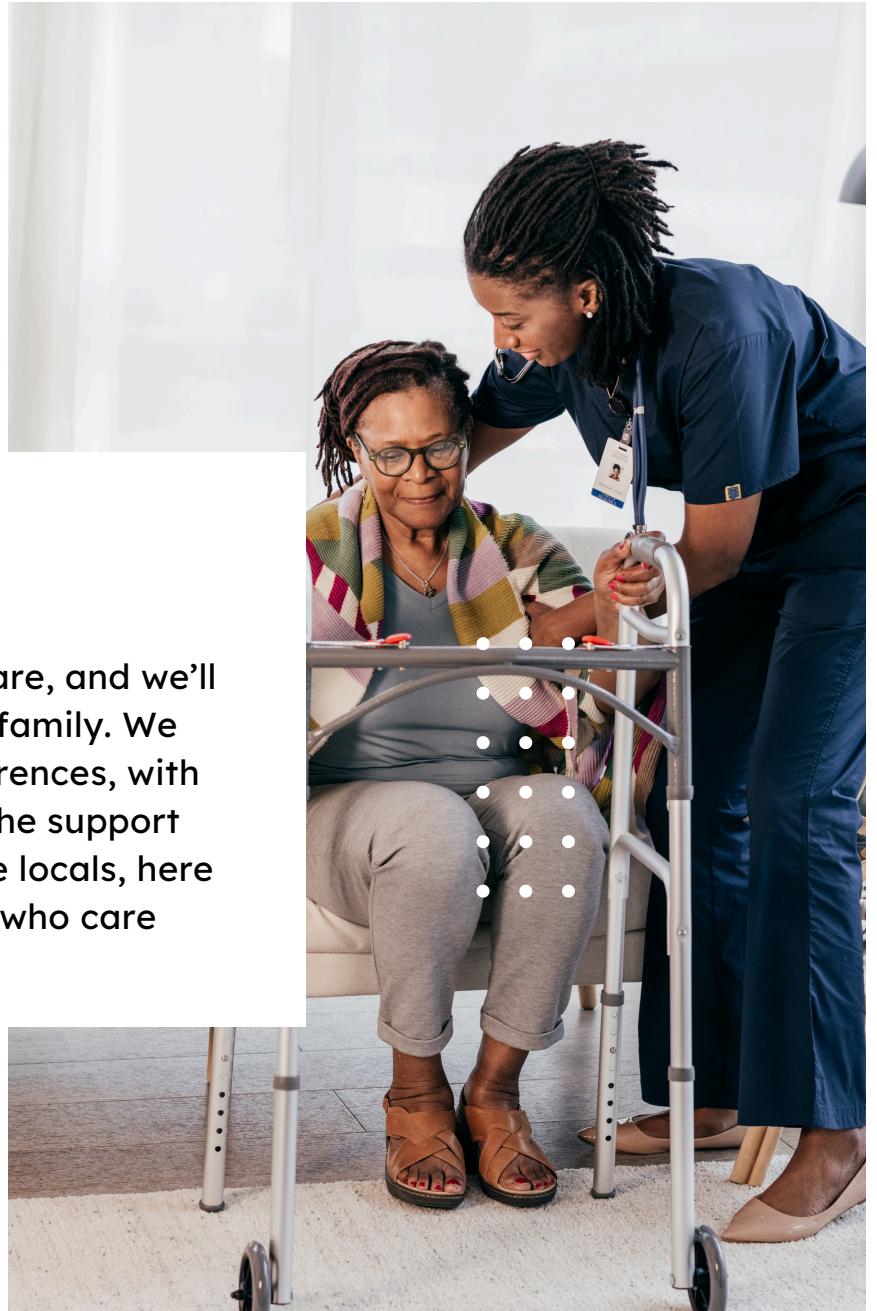

Assistance with bathing, dressing, grooming, and other daily routines, provided with respect. We're trusted and committed professionals who share in hobbies, conversations & fun activities.

Specialized Care

Specialized care for older adults living with Alzheimer's or dementia, including activities to promote cognitive function and emotional well-being.

Why Us?

You tell us what your care needs are, and we'll make it happen for you and your family. We adapt to your schedule and preferences, with flexible care options to give you the support you want, when you want it. We're locals, here in Boston and in New Hampshire, who care about our community.

Flexible Payment Options

Our pricing is as transparent as it gets. No hidden fees, no fine print—just straight talk and fair prices. You'll always know what to expect

We're Locals, Like You

We're part of our communities in Boston and New Hampshire, with real connections and real care that go beyond just doing a job.

Competent & Compassionate

Caregivers who are trained, experienced, compassionate & genuinely care. You're in good hands, literally. Of course, Flexible care plans.
